Christmas in White 2018

Join us for our fourth year of providing gifts of hygiene products during the Christmas Season for those who wouldn't have them otherwise!

Christmas in White started with one unit, but in 2018 we have the honor of providing Christmas to twelve women's units in Texas! Help us bless almost 6000 ladies!

We need your help!

Christmas in White has really grown. This year we have the opportunity to provide 5850 women with hygiene packages this Christmas. Can you imagine feeling like deodorant and shampoo are some of the best Christmas gifts you have ever received?? And praying to receive something as small as a washcloth? That's what many of the women we've been able to bless in years past have said. Here's why: The Texas prison system does not provide basic necessities such as shampoo unless the woman has money to buy them in the commissary. This leaves many Texas prisoners without these products. For this reason, we go into these prison units every year to deliver hygiene products. And the ladies do their best to try to make these items last the entire year!!

We need to raise \$40,000 in order to buy these products. Please consider helping us! Donations can be made at

www.syndeoministries.com

Please consider partnering with us to provide Christmas for women who are behind bars. This is the only Christmas these ladies will have. Many women inside prison walls often feel forgotten, especially during the Christmas season! To let them know they are remembered and cared about, we will distribute gifts of hygiene products.

On December 8th and 15th, trained volunteers from all over Texas will join Syndeo Ministries in distributing these gifts! Each woman will receive a large family size shampoo, conditioner, toothpaste, deodorant, soap, Christmas cards, and Hershey kisses.
